Aspiration Week 20th – 22nd October

Dear families,

I am writing to inform you that after the success of Aspiration Week last year, we will once again be holding this exciting enrichment opportunity. The theme is "Start Small, Dream Big." This special week aims to inspire our children to explore various opportunities for their future education and careers.

During Aspiration Week, the children will learn about the eight essential skills that are crucial for success in the world of work: Leadership, Teamwork, Creativity, Problem-Solving, Presenting, Listening, Aiming High, and Staying Positive. This initiative is designed to challenge stereotypes and broaden our children's horizons, empowering them to consider multiple options and choices for their futures.

Throughout the week, we will engage our pupils in activities that highlight transferable skills and the various ways in which they can develop these competencies. Additionally, they will have the opportunity to identify the skills they already possess. We aim to encourage our pupils to aspire to high goals and to investigate the vast range of careers available to them.

Key Stage 2, pupils will be exploring various sectors, including health and social care, environmental, building and construction, retail, transport, technology, public services, manufacturing and business. We also want to make them aware of the significant changes in technology over the past decade and discuss potential future advancements in the workplace through the use of technology.

To enrich our programme, we would like to invite parents and guardians who work in these sectors or any other career to share their professional experiences with the children. Your involvement would provide invaluable insights and broaden our pupils' understanding of the diverse opportunities available to them. If you are able to contribute as a guest speaker or in another capacity, please do not hesitate to contact us.

Thank you for your continued support as we work together to inspire and prepare our pupils for their futures.

Yours sincerely,

Mrs Bailey

Headteacher
